Delegates at the 128th Continental Congress Vote to Amend the Bylaws to Allow for a Dues Increase

July 3, 2019

New Member Application Notice:

DAR membership applications postmarked on or before July 31, 2019 can be submitted with dues at the old rate. Applications postmarked August 1, 2019 or later will be subject to the new membership dues rates as indicated on the Members' website at: www.dar.org/FeesAndPolicies

In a foresighted move meant to stabilize the finances of NSDAR going forward, the collected body of delegates to this year's 128th Continental Congress voted to amend the Bylaws to increase the dues. The proposed bylaw amendment related to dues was circulated to all chapters and state organizations in February 2019 for their delegates to review prior to voting on the amendment at the 128th Continental Congress.

Effective June 28, 2019, NSDAR annual national dues for a member of a chapter is \$42 and NSDAR annual national dues for a member-at-large are \$58.

This information will also be available to all chapter treasurers in e-Membership via the Dues Invoicer from the Office of the Organizing Secretary General.
